Called By: Paul Cote (www.paulcotecaller.com)

(Opener) Sides Face, Grand Square

I've got you under my skin

I've got you deep in the heart of me – **ALLEMANDE** and **WEAVE**

You're so deep in my heart, that you're really a part of me – **SWING** and **PROMENADE**

And I've got you under my skin

(Figure)

(Heads/Sides) SQUARE THRU 4 hands and go,
with your corner make a **RIGHT HAND STAR**,

(Heads/Sides) STAR LEFT, one time round,

back to your corner and then you'll all **SLIDE THRU**.

SQUARE THRU and go, you take it **THREE** hands round,

you **SWING** and **PROMENADE**

And I've got you under my skin

(Middle Break, Closer) Sides Face, Grand Square

Don't you know you fool, you'll never win

Why not use your mentality, come on step up to reality – **ALLEMANDE** and **WEAVE**

But each time I do, just the thought of you

Makes me stop before I begin – **SWING** and **PROMENADE**

'Cause I've got you under my skin

(Tag)

Yes, I've got you...under my skin.

Note: There is a melody change between the figures. It's minor, but there is definitely a change. Listen for the change in the leads or on the vocal cut if you need a hand.
