**Called by: Paul Cote** ([www.paulcotecaller.com](http://www.paulcotecaller.com))

### **OPENER - SIDES FACE, GRAND SQUARE**

I missed your terrible two's. I never knew you at three.  
I missed your first steps, your very first words...you never said them to me.  
Do an **ALLEMANDE LEFT** and **WEAVE**.  
Missed your first ride on a bike, pictures on Santa's knee.  
(**SWING** and **PROMENADE**)  
Yet despite all the things that I missed, you're still a part of me

### **FIGURE**

Now the (**HEADS/SIDES**) you'll **SQUARE THRU, FOUR** hands you'll go round  
**SWING THRU** and then, **BOYS** you'll **RUN RIGHT**  
**FERRIS WHEEL** and go round  
Hey **CENTERS PASS THRU** and then, **TOUCH 1/4** and go  
**SCOOT BACK, SWING** that girl and **PROMENADE**  
But despite all the things that I missed, you're still a part of me.

### **MIDDLE BREAK – CLOSER – SIDES FACE, GRAND SQUARE**

While I'm not your father, if they're judging by blood  
They cannot deny me if they're measuring love  
Do an **ALLEMANDE LEFT** and **WEAVE**  
I missed all those good things, but no time to be sad,  
(You **SWING** and **PROMENADE**)  
Cuz I'll always love you, signed Sarah's Stepdad.

**TAG** - Yes, I'll always love you...signed, Sarah's Stepdad

(While I'm sure there aren't a lot of callers out there with a stepchild named "Sarah", and I'm sure your relationship isn't exactly like mine, but I bet there are a lot of "stepdads" out there who love the heck out of a child that came to them later in life. Feel free to adapt this song to show your stepchild how you feel, and sing it to them!)
